## JONES NAMED PRESIDENT

The State University Board of Trustees meeting today in New York are expected to appoint Dr. Richard C. Jones as president of the College at Cortland effective Thursday, December 19. His appointment was approved this morning by the Trustees' Executive Committee and is expected to be formalized by the entire Board of Trustees at a late afternoon meeting. Dr. Jones was recommended by the College Council and the Presidential Search Committee of the Faculty. Both groups have been engaged in the search for a new president since last June. A total of 169 nominees were reviewed in the course of the six-month search. The Council is chaired by Louis Folmer of Homer. SAM FORCUCCI, professor of music, is chairman of the Faculty Committee.
