Biographical History

The Cortland Normal School was founded in 1868. Athletics really received its start through physical education curriculum at the Cortland Normal School. Swimming was part of the curriculum and students were required to pass a swim test. Earliest sports included football, basketball, gymnastics, track, and baseball - Cortland's first organized sport since 1884.

When the Campus moved locations to Old Main, new fields were constructed and the sports program grew. In the 1950's the Cortaca Jug rivalry was born against Ithaca College and continues on. New sports complexes, field and gymnasium dedications took shape. The C-club was established in 1969 with the intentions of recognizing and honoring those who were both fantastic athletes at Cortland as well as distinguished in their professions and community involvement. The New York Jets hosted their summer training camps at SUNY Cortland. Today, Cortland has 23 organized sports and competes in the SUNYAC Conference. Since 1973, Cortland has won 25 NCAA Division III National Championships.
