# STATE UNIVERSITY COLLEGE CORTLAND NEW YORK

Spring sports

The State University College at Cortland, New York, is located midway between Binghamton and Syracuse on U. S. Route 11, in the center of the state. The college campus is located on a beautiful hilltop, about 1,200 feet above sea level overlooking the seven valleys which converge in this city of some 20,000 residents.

Its main campus of approximately 175 acres and more than 30 buildings includes eight new residence halls, two college unions, two dining halls, a campus school with kindergarten through ninth grade, an education building, field house, and a science building.

The college also owns Huntington Memorial Camp on Raquette Lake in the Adirondacks. The camp includes more than 400 acres of forest land and sandy beaches, plus 18 buildings which are used by the college in its physical education and recreation education programs and also by the campus school as an out-of-door classroom.

The Health, Physical Education and Recreation Building is considered one of the most modern and functional buildings of its kind in the country. Athletic facilities, both indoors and out, are provided for Cortland's twelve varsity sports teams--football, soccer, cross-country, basketball, wrestling, swimming, gymnastics, baseball, track, lacrosse and tennis. The college also has a varsity golf team which plays at the local Country Club.

The James M. McDonald Building also is an important part of the campus, providing facilities for a student infirmary.

Newest additions to the campus are an education-campus school building, a library, a science building and a 175-bed dormitory. Plans are now under way for a new fine arts center, a lecture hall center and another science building and a new classroom-office building, plus additional dormitories for 800 beds and a dining hall center of 500 seats--to be constructed before 1967.

A field house, completed in the spring of 1962, is 330 feet long, 130 feet wide and has an arched roof. Eventually, Cortland will build permanent stands where the temporary stands are now located, in the area between the track and the new field house.

Cortland's enrollment of 3,000 students, which is expected to increase to 3,800 in the future, comes from every county in the state. The students are prepared to teach in the areas of elementary education, high school English, social studies, mathematics and science, physical education, health education and recreation education. Freshmen will be accepted in the new liberal arts program in 1965. A summer session, extension programs and the graduate division are also a part of the academic program.

The college was established in 1868 as the Cortland Normal School by the state legislature. The original building was located at the site of the present Cortland County Courthouse. It burned in 1919 and the college opened its present main building in 1923. Cortland became a four-year college in 1941, added a graduate program in 1947 and became a part of the State University of New York in 1948.

# FACTS ABOUT THE COLLEGE

Location Cortland, New York
Founded
Accreditation:
Middle States Association of Colleges and Secondary Schools
The American Association of Colleges for Teacher Education
The Board of Regents of the University of New York
National Collegiate Athletic Association

BOB WALLACE has yet to post a losing season since he took over the baseball coaching assignment in the spring of 1958 from veteran coach Carl (Chugger) Davis. His first season the record was 10-4, then in 1959 the squad was impressive with an 11-2 mark, fell to a 7-4-1 in 1960, 9-3 in 1961, posted a 10-6 record in 1962, 8-5 in 1963, and finally a 15-2 mark in 1964. Wallace was a Cortland graduate and played three years on the varsity football team as quarterback. He taught physical education at Painted Post High School and coached football, wrestling, and track. His football team was co-champion twice. He came to Cortland in 1956 as backfield coach under Davis. He also coached the freshman varsity basketball teams at Cortland. In addition to his teaching and coaching duties, Wallace also is assigned to screening candidates for Cortland's physical education program.

#### VARSITY BASEBALL OUTLOOK

Despite the loss of all their regulars, Coach Wallace feels that the assortment of strong sophomores up from last year's freshman team (10-1), could again make the Red Dragons a strong ball club. Players that were lost through graduation were: Bob Reggio, a pitcher who compiled a 7-0 record; Herb Crispell at first base; Don Lawrence in the outfield; and Tom Sharp at centerfield.

Returning lettermen include: Marty Minter at shortstop; Al Garod, pitcher; and outstanding Dick Cameron, behind the plate.

Bright sophomore prospects are: Joe Mushock, outfield; Cal Wheeler, outfielder; Paul Fernandes, first base; Dave Schletter, shortstop; Jim Leyden, pitcher.

Summing up the outlook, the success of the season depends on the improvement of the pitchers. Wallace feels that the team is stronger in the hitting department and much improved on defense.

#### MEET THE FRESHMAN BASEBALL COACH

FRANCIS J. (FRAN) WOODS, is now in his eighth season as coach of the baxeball squad. For the past six seasons, Fran was head of the junior varsity team, but due to the increase of the male student body there is no longer a JV team. This will be Wood's second year as coach of the freshman team.

A native of Cortland, Fran attended St. Mary's High School where he participated in basketball and football. He is also a graduate of Cortland and competed in football and baseball while a student on the hill. His first coaching position was at Utica Free Academy where he taught physical education and coached the football, basketball and track teams. One of his basketball teams won the league championship and one of his relay teams captured the Section III Championship in track.

A member of the Cortland faculty since 1957, Woods served as backfield coach for the junior varsity football team and as coach of the freshman soccer team, in addition to his baseball assignment.

### FRESHMAN BASEBALL OUTLOOK

After the freshman baseball team has been working out for one month, it appears as if we will be as strong as last year when the team posted a 11-1 record.

The pitching staff with Robert Yarris, Allen Greenburg and Dick Lassor, show promise of developing into fine varsity candidates. The outfield with Alain Andre, Scott Healy, appear to be fine prospects with good throwing arms and good power at the plate. In the infield, Bill Finnigan and Randy Alexander will form the keystone combination. Gary Howe and Buddy Simonelli appear to be strong catchers.

#### MEET THE VARSITY LACROSSE COACH

AL PISANO is new to the coaching staff this season. A graduate of Cortland, Pisano has coached football and lacrosse at Berner High School on Long Island. He received his master's from Penn State. While at Penn State, he coached the freshman lacrosse team. As an undergraduate he was an outstanding lacrosse star, playing four years and being captain for two of them. Pisano was also selected to the second team All-American Team in Lacrosse. In addition to coaching lacrosse here, Pisano also was assistant coach in football and coach of the gymnastics team.

#### VARSITY LACROSSE OUTLOOK

Made up mostly of sophomores and juniors, Pisano feels that "the 1965 squad has the best potential of any Cortland lecrosse team." The reason he feels this way is the assortment of athletes that comprise the squad. He has five outstanding seniors—Attackman John Fetter; Defense men Tim Sullivan, Gene Terry, and Marty Senall; Goalie George Ampagoomian. Junior Mid-fielder Tom LaPuma has all the qualities of an All-American according to Pisano. As for the sophomores they are: Attackmen Dick Felser, Frank McLaughlin, and Paul Rose; Mid-fielders Dick Speckamn and Al Rines; Defense men Jack Cooper and Larry Woodhouse.

A twelve game schedule, four of which are scrimmage games, will decide the truth of Pisano's pre-season statement.

#### MEET THE GOLF COACH

CARL A. DAVIS veteran of the Cortland coaching staff, has passed the thirty year mark on the hill and appears ready for another thirty. The golf coach since the 1958 season, Davis has been the varsity football mentor from 1932-1963. During his thirty years he has coached almost every sport in which the college has participated. He dropped the varsity baseball post in 1958 to take over the reins of the golf team. A sometime golfer for many years, Davis took up the game in earnest a few years ago and now shoots in the three handicap range. Davis, who was one of the oldest coaches in years of service in college football, graduated from Springfield College in Missouri and received a Master's degree from Springfield College in Massachusetts. He was an outstanding athlete in both high school and in college.

#### VARSITY GOLF OUTLOOK

Coach Davis starts his golf season with practically an all new squad. He lost four seniors when Joe and Tom Green, Larry Merow and Gary Trezise graduated. Junior Dave Marcy, Fayetteville is out practice teaching fourth quarter and junior Dick Mott has left school. Henry Berger, Flushing, Paul Bilzor from Elmira and Frank Muller, Ellenville, all lettermen, are returning. Davis has high hopes for Charles Novack, a junior from Westport. Sophomores Mike Gonroff, Joe McKenna, junior Barry Shultz and senior Bob Ferris, all look like good prospects to make the squad.

Coach: Carl Davis

Manager: Bernard Peplinski

REUBEN H. (BARNEY) WILLIAMS, now in his eighth year on the Cortland faculty and coaching staff, Leighton-Barta Tennis School for teachers and faculty and a member of the U. S. Professional Lawn and Tennis Association, has been Cortland's tennis coach since 1959. He took over the junior varsity soccer team when he arrived in 1957, and that winter was given the junior varsity basketball team which compiled an impressive 15-2 record for his first season. He still has the basketball job, but it is now coach of the varsity team. A graduate of West Chester, Williams competed in football, basketball, track and tennis. He coached JV basketball at Steven's Institute for six years and was head basketball coach at Park College in Missouri for three years before coming to Cortland.

#### VARSITY TENNIS OUTLOOK

With a 3-4 record and champion of the State University of New York Athletic Conference in 1964, Coach Williams feels that this year's squad is the strongest that he has ever coached in tennis at Cortland. Williams admits that while it is a small squad (eight members), it is a highly selective group of individuals. Included in the squad are: Junior Richard Gordon, seniors Pat Syracusa and Ken Miller, Jeff Godbey and Marty Murphy are two seniors that were out student teaching last year and will see a great deal of action this season. Two new-comers that could add quite a punch to the tennis team are juniors Cris Clark and Paul Okonski. The only sophomore on the squad is John Spinella. Nine matches and the SUNYAC Tournament constitute the 1965 varsity tennis schedule. They will be at home five times, while on the road four.

#### MEET THE TRACK COACH

ROGER I. ROBINSON begins his first year as varsity track coach at Cortland. As coach of freshman track last year, he led his team to an undefeated season.

A native of Endicott, New York, he competed in football, basketball and track at Union-Endicott High School before enrolling at Syracuse University where he also played football. After time out for World War II, he returned to college and was one of the East's outstanding backs in the 1946 East-West Shrine game.

Robinson was head track coach for two years at Lebanon Valley College, Lebanon, Pa. and head track coach at Port Jervis High School, Port Jervis, New York for seven years. He also was freshman track coach at Harvard University, Cambridge, Mass. for six years.

#### VARSITY TRACK OUTLOOK

According to Coach hobinson, although we are limited in some of the field events, it is expected that our runners will give us added strength to overcome our weaknesses. Strong point getters should be: Art Jessup, Monroe - 3:30 hurdles and broad jumps; Mike Conover, Garden City, in the sprints and triple jump; John Jackson, Massepequa in the quarter mile 4:40; Frank Benedetto, Syracuse in the shot. Varsity prospects from last year's undefeated freshman team are: Robert LaCour, Floral Park in the sprints; Tom Rogan, Poughkeepsie in the broad jump and triple jump; Charles Okraski, Utica in the pole vault and Bob Fitts, Mamaroneck in the mile and two mile.
