CORTLAND

An aerial photograph of the Cortland University campus. The image shows a large, multi-story academic building complex in the center, surrounded by green lawns and trees. In the foreground, there is a large sports field with a running track and a large, arched stadium structure. The background features rolling hills and a church with a prominent steeple. The overall scene is a mix of urban and natural elements.

THE VARSITY FOOTBALL COACHES

ROGER I. ROBINSON is in his third year as head coach. Undertaking his second year in 1964, the Red Dragons compiled an 8-1 record—the best in upstate New York.

Robinson came to Cortland after six years as Harvard University's defensive backfield coach. In addition to his football duties, he coached the freshman track team.

A native of Endicott, New York, he competed in football, basketball and track at Union-Endicott High School before enrolling at the University of Rochester where he also played football. After time out for World War II, he returned to college, this time at Syracuse University where he played football and was one of the East's outstanding backs in the 1946 East-West Shrine game.

Robinson's first coaching assignment was as assistant backfield coach at Rochester. He served two years (1948-50) as line coach for Andy Kerr at Lebanon Valley (Pa.) College. From 1951 to 1956 he was head coach of football and track at Port Jervis, New York High School. He moved from there to Harvard.

ROBERT WALLACE, backfield coach, played four years of varsity competition under "Chugger" Davis and proved to be one of Cortland's outstanding quarterbacks. A 1953 graduate of Cortland, he joined the staff of his Alma Mater in 1956 and was assigned to the backfield coaching duties, a post he has held since then. Before coming to Cortland, Wallace was in the physical education department at Painted Post High School and coached its football team to two championships.

Wallace coached the varsity basketball team here for one season during the absence of Dr. Whitney T. "Pete" Corey. In 1958 he took over the varsity baseball assignment, fielding strong teams in each of the past six seasons.

LARRY MARTIN, freshman coach for the past two seasons has been moved to the varsity coaching level this year.

Like Robinson, Martin is starting his third year as coach. He came to Cortland after serving 10 years in the North Country—two years at Gouverneur, four years at Massena High, and four years at Canton Central where he was direc-

tor of athletics and coached the varsity football and basketball teams.

A native of Cortland, Martin received his bachelor's and master's from State University College at Cortland.

AL PISANO, assistant line coach, is starting his second year on the Red Dragon's staff. A graduate of Cortland, Pisano has coached football and lacrosse at Berner High School on Long Island. He received his master's from Penn State. While at Penn State, he coached the freshman lacrosse team. In addition to his football coaching chores, Pisano is head lacrosse coach.

HARRY BELLARDINI, assistant backfield coach is also starting his second year on the coaching staff. Bellardini did his undergraduate and graduate work at Cortland. Before coming to Cortland he was on the staff at Corning High School, where he coached football, wrestling and track. Bellardini is on the physical education staff of Cortland's Campus School.

ANDY GRIEVE is a new addition to the men's physical education staff, and will assume the duties of freshman football coach. Grieve is a graduate of New York University and Ithaca College. He has held the posts of secretary and President of the New York State Association of HPER—Central Zone. Mr. Grieve's last position was with the Central School in Sherburne, N.Y. as director of Health, physical education and athletics.

VARSITY FOOTBALL OUTLOOK

Head coach Roger I. Robinson, with a three year mark of 12-4, will be faced with a major rebuilding job. Lost through graduation were 13 lettermen from last year's eleven that posted an 8-1 record—the best in upstate New York.

Robinson feels that the biggest job will be attempting to mold 26 sophomores up from the 1964 freshman team. In a sense, Robinson will be starting from scratch due to the fact that the players lost, carried a major part of the burden, both on offense and defense.

Some of the bright spots on the squad include:—Four capable quarterbacks: Tom LaPuma, Frankfort, N.Y.; Dick Speckmann, Oceanside, N.Y.; Jack Close, Whitesboro, N.Y.; Ray Stanton, Binghamton, N.Y.

1965 captain Tom Nugent of Salamanca, N.Y. will be at one halfback slot this season. In 1964 Tom was leading ground gainer with an average of 5.3 yards per carry.

Rick Page of Clinton, N.Y. is the nation's second leading punter. As a sophomore, Rick punted on the average of 44.4 yards per kick.

Robinson feels that the outcome of the season will depend on how fast the linemen are going to develop.

MEET THE SOCCER COACHES

VARSIITY— T. Fred HOLLOWAY one of the veterans of the Cortland coaching staff, has been a member of the physical education department since 1936. He celebrated his 28th season as the varsity soccer coach last year and made it a successful one by guiding his team to a 10-1-1 record.

Cortland's Red Mules captured the State University of New York Athletic Conference Championship with a record of 6-0. They were also selected to participate in the NCAA Regional Play-offs, hosting the Red Mules of Army. The final score was Cortland 3 and Army 3. In any other game it would have ended in a tie, but in accordance with NCAA play-off rules someone had to come out a winner. Following three over-times Army was awarded the win by one corner kick.

Holloway earned his bachelor and master degrees from Springfield College and his doctorate from New York University. He coached at Springfield, Pittsburgh and the Foxwood Schools before coming to Cortland. He has coached most sports and while in college competed in cross-country, gymnastics and soccer.

FRESHMAN—Francis WOODS is a native of Cortland. He was graduated from St. Mary's High School where he competed in basketball and football. He is also a graduate of State University College at Cortland and while here played football and basketball. After graduation, he joined the staff at Utica Free Academy where he taught physical education and coached football, basketball and track. He directed his basketball team to a league championship and his track team to a sectional championship in the relay.

A member of his Alma Mater's staff since 1957, he has also served as backfield coach of the jayvee football team and as the freshman baseball coach, a post he still holds, along with the freshman soccer team.

VARSIITY SOCCER OUTLOOK

Head soccer coach Dr. T. Fred "Prof" Holloway's outlook is not as promising as 1964. He feels that the team could be good, but he is in the process of correcting developmental problems.

Holloway lost 17 lettermen due to graduation and is starting with a green team. A breakdown of the candidates reveals only 6 seniors, 17 juniors, and 24 sophomores. Of these 47 athletes, only 5 are lettermen.

The 1965 season will be strictly a rebuilding year for Holloway. He states that there is "good talent on paper," but he will wait until the athletes are on the practice fields to determine their true potential.

DAVID COSTILL is starting his second year in the men's physical education staff at Cortland. Before joining the staff, Costill taught science and coached cross-country and swimming at Fremont Ross High School and Shaw High School in East Cleveland, Ohio. He received his bachelor's degree from Ohio University and his master's from Miami University of Ohio. Costill was awarded his Ph.D from Ohio State this past August. In addition to his cross-country chores, Costill is head coach of the Red Dragon's swimming team.

VARSITY CROSS-COUNTRY OUTLOOK

Head coach Dave Costill has reason to be optimistic and doubtful about the 1965 season.

The bright spot on the team is senior Robert Lalley of Binghamton, N.Y. and junior Robert Fitts from Mamaroneck, N.Y. Both boys participated in the College Division All-American Cross-Country Championships in 1964. Lalley finished 6th and Fitts 15th.

The doubtful question is the depth of the sophomores. All the colleges and universities that Cortland competed with in 1964 had powerful frosh teams and will give strong challenges to the Red Dragons.
