Extension 388

THE COLLEGE

The State University College at Cortland, New York, is located midway between Binghamton and Syracuse on U.S. Route 11, in the center of the state. The college campus is located on a beautiful hilltop, about 1,200 feet above sea level overlooking the seven valleys which converge in this city of some 20,000 residents.

Its main campus of approximately 175 acres and more than 30 buildings includes eight new residence halls, two college unions, two dining halls, a campus school with kindergarten through ninth grade, an education building, field house, and a science building.

The college also owns Huntington Memorial Camp on Raquette Lake in the Adirondacks. The camp includes more than 400 acres of forest land and sandy beaches, plus 18 buildings which are used by the college in its physical education and recreation education programs and also by the campus school as an out-of-door classroom.

The Health, Physical Education and Recreation Building, is considered one of the most modern and functional buildings of its kind in the country. Athletic facilities, both indoors and out, are provided for Cortland's twelve varsity sports teams—football, soccer, cross-country, basketball, wrestling, swimming, gymnastics, baseball, track, lacrosse and tennis. The college also has a varsity golf team which plays at the local Country Club.

The James M. McDonald Building also is an important part of the campus, providing facilities for a student infirmary.

Newest additions to the campus are an education-campus school building, a library, a science building and a 175-bed dormitory. Construction is now under way for a new fine arts center, a lecture hall center and another science building and a new classroom-office building, plus additional dormitories for 800 beds and a dining center of 500 seats—to be constructed before 1967.

A field house, completed in the spring of 1962, is 330 feet long, 130 feet wide and has an arched roof. Eventually, Cortland will build permanent stands where the temporary stands are now located, in the area between the track and the new field house.

Cortland's enrollment of 3,000 students, which is expected to increase to 3,800 in the future, comes from every county in the state. The students are prepared to teach in the areas of elementary education, high school english, social studies, mathematics and science, physical education, health education and recreation education. Freshmen have been accepted in the new liberal arts program this fall. A summer session, extension programs and the graduate division are also a part of the academic program.

The college was established in 1868 as the Cortland Normal School by the state legislature. The original building was located at the site of the present Cortland County Courthouse. It burned in 1919 and the college opened its present main building in 1923. Cortland became a four-year college in 1941, added a graduate program in 1947 and became a part of the State University of New York in 1948.

MEET THE BASKETBALL COACHES

ALAN STOCKHOLM, a new addition to the coaching staff at Cortland, will take over the duties of varsity coach while R.H. (Barney) Williams is on sabbatical. A graduate of East Stroudsburg State College, Al received his master's degree from the University of Maryland. While at East Stroudsburg, he played three years of varsity basketball.

Before coming to Cortland he taught one year at the University of Maryland on an assistantship and was athletic director at Allegany Community College in Cumberland, Maryland for three years.

A native of Montrose, Pennsylvania, Al is married and the father of three children.

ANDREW GRIEVE, is also a new addition to the men's physical education staff and will assume the duties of freshman basketball coach. Andy is a graduate of New York University and received his master's degree from Ithaca College. He has held the post of secretary and President of the New York State Association of Health, Physical Education and Recreation-Central Zone.

Andy's last position was with the Central School in Sherburne, New York as director of health, physical education and athletics.

In addition to his basketball coaching chores, Andy is also freshman football coach.

1965-66 VARSITY BASKETBALL OUTLOOK

Head coach Alan Stockholm, starting his first year, will be faced with a major rebuilding job. He has only four lettermen in which to build his club. The lettermen are: co-captains Dick Heffron of Groton, N.Y. and George Konopski of Hudson, N.Y. The other two lettermen are: Roger Lattimer of Goshen and Tom Morrissey of Greenwich.

Some of the promising sophomores include: Bruce Carman, a 6-5, 220 pounder from Trumansburg; speedster Terry Gaskill from Uniondale; and Joe Tuttle, a forward from Hammondsport.

It is no secret that the Red Dragons will be a running team and that they will be playing pressure defense.

Added incentive for the boys this winter, will be the automatic bid which the NCAA has made available for the 1965-66 champion of the State University of New York Athletic Conference, of which Cortland is a member.

MEET THE VARSITY WRESTLING COACH

The highly versatile David Miller moves into his seventeenth year on the Cortland faculty and coaching staffs. In his coaching career, Miller has exhibited his talents as coach of the football, soccer and cross country teams. His overall record as wrestling coach has reached 109 wins, 61 defeats, and 3 ties. In addition to his wrestling chores, Miller is also head coach of the track team.

Miller, a Cortland graduate, returned to the hill as a coach in 1948 after coaching football, basketball, and wrestling in the Sherburne (N.Y.) school system.

MEET THE FRESHMAN WRESTLING COACH

Vincent Gonino is originally from Watertown, N.Y. where he participated in wrestling, football, and track in high school. He is a graduate of Ohio State University where he earned his bachelor's degree. While at Ohio he was co-captain of the freshman wrestling team, Ohio A.A.U. wrestling champion, and captured two awards in Big-Ten Conference Championship matches. Mr. Gonino completed his master's work at Ohio University. Before coming to Cortland, Vincent taught at Whitehall High School, Whitehall, Ohio and Keystone Junior College.

VARSITY WRESTLING OUTLOOK

"A solid dual meet team." These are the words of David Miller when asked for a pre-season forecast. Miller feels that he has a good man in every weight. The only problem that Miller can foresee is that there is no depth in the lower weights.

The wrestling team has two athletes on the injury list as of this writing. They are: Dennis Connors of Binghamton in the 152 pound class and Al Sosa of Babylon in the 160 pound class. Connors has a broken bone in his hand while Sosa is having trouble with a knee injury due to football.

In closing, Coach Miller stated that his team will face two of the toughest opponents before Christmas. They are Ohio State on December 4 and 1964-65 State University of New York Athletic Conference Champions Oswego on December 11.

MEET THE GYMNASTICS COACH

ALFRED PISANO, joined the physical education staff at Cortland in 1964. A graduate of Cortland, Pisano has coached football and lacrosse at Berner High School on Long Island. He received his master's from Penn. State. In addition to his gymnastic coaching chores, Pisano is assistant line coach for the varsity football team and head coach of the varsity lacrosse team.

1965-66 GYMNASTICS OUTLOOK

Although the gymnastics team will be faced with another rebuilding job—the team still has a possibility for a successful season.

Seniors Jack Gilbert of Clay, N.Y. and Leon Weissman of Flushing, N.Y. will be carrying a great deal of the load. Both boys participated in the Eastern Intercollegiate Gymnastics Championships in 1964. Jack placed 26th in the side horse competition while Leon was 19th on the still rings.

Three juniors will have the opportunity to prove themselves this year. They are Dick Good from Liverpool, N.Y. in the floor exercise routine, Dick Zaikowski of Patchoque, N.Y. on the parallel bars; George Cuadrado of Queens, N.Y. as an all around entry.

Coach AL PISANO feels he has three outstanding sophomores that could help the squad. Eric Rosenvold of Huntington Station could prove to be the best high bar man that Cortland ever had. Tony Sicale also of Huntington Station will be participating in the floor exercise routine, while Tom McCarthy will be on the side horse.

1965-66 GYMNASTICS ROSTER

MEET THE SWIMMING COACH

DAVE COSTILL, is starting his second year on the men's physical education staff at Cortland. Before joining the Cortland staff, Costill taught science and coached cross-country and swimming at Fremont Ross High School and Shaw High School in East Cleveland, Ohio. He received his bachelor's degree from Ohio University and his master's from Miami University of Ohio. Dave was awarded his Ph.D. from Ohio State this past August. In addition to his swimming chores, Costill is head coach of the Red Dragon cross-country team, which compiled an impressive 8-0 record this past fall.

1965-66 VARSITY SWIMMING OUTLOOK

A small, inexperienced squad combined with a strong schedule make Coach Costill's aquamen outlook for the 1965-66 season bleak.

Three bright spots on the roster include Robert McMurray, a junior butterfly and freestyle swimmer from Hamburg. Bob placed 8th in the nation in the 400 yard individual medley event and 9th in the 1650 yard freestyle.

Gary Seaman, a sophomore from Uniondale is scheduled for the backstroke event, while Richard Michaelles, a junior transfer from New York City will be eligible beginning February, 1966 as a diver.

Four freshman that will be a great help to the Red Dragons in the future are: Tom Meade of Binghamton, who placed 2nd in the high school sectionals in the butterfly event. Robert Webster of Cleveland Heights, Ohio was a high school All-American and was coached by Costill while he was in Ohio. Bob's specialities are the butterfly and free style events.

The other two frosh are: Jay Wendell of Tonawanda and Walter Shaub of Mount Vernon. Jay is a free stroke specialist, while Walt shows a great deal of ability in the back stroke department.

1965-66 VARSITY SWIMMING ROSTER
