## COACHES

**Varsity:** Alan J. Stockholm is beginning his second year as head coach of the varsity basketball team at Cortland but, for all practical purposes, this should be considered his first year. He served as head coach for the 1965-66 season, acting as a replacement for Reuben H. "Barney" Williams who was on a leave of absence from the College. He had a record of 7-11 that year.

Stockholm is a 1961 graduate of East Stroudsburg State where he majored in health and physical education. The Montrose, Pa. native received his M.A. degree from the University of Maryland in 1963 and is currently working on his doctorate at Indiana University.

Prior to his first assignment at Cortland, Coach Stockholm served as instructor of physical education and basketball coach at Allegany Community College from 1962 through 1965. He returned to his alma mater, East Stroudsburg, and served as an assistant professor of physical education and track coach until his reappointment to Cortland. He is also an assistant professor of men's physical education.

**Freshman:** Andy Grieve came to Cortland in 1965 and assumed the duties of freshman basketball and football coach. Grieve is a graduate of N.Y.U. and Ithaca College. He spent seventeen years in the high school ranks, coaching and teaching in both New York and Pennsylvania schools. In his last position, Grieve was director of health, physical education and recreation at Sherburne where he was head football coach and basketball coach for nine years. Andy also is an assistant professor of physical education.

---

## 1968-69 OUTLOOK

Head basketball coach Al Stockholm feels this could be the year that State University College at Cortland basketball fortunes improve. Coach Stockholm has returned to take control of the reins of the Red Dragon five, replacing "Barney" Williams who decided to concentrate on teaching and coaching the tennis team.

Stockholm is optimistic because he is blessed with a nucleus of veteran performers complemented by two good sophomore prospects. The vets include seniors Bob Chrust, last year's leading scorer and rebounder, Bill Williams, John Miller and junior Fred Bruntrager. The two sophs are Mike Eidel and Earl Rogers.

Chrust averaged 15.2 points per game and set a new rebounding record, hitting the boards for 299 rebounds in 21 games. He will be joined in the front line by Williams, 14.7 points per game, Rogers and 6-6 junior Bob Alspaugh.

Bruntrager will provide the team leadership from his guard slot. Eidel, the leading scorer on last year's frosh team with an average of 25.4, is counted on for help at the other backcourt position.

# WRESTLING

## COACHES

**Varsity:** Dave Miller begins his 20th year on the Cortland staff with an overall wrestling record of 128-70-4. He graduated from Cortland in 1936 and received his master's degree from Syracuse University. Before returning to his alma mater in 1948, he taught and coached at Phelps and Sherburne high schools and spent four years in the service.

Since then he has coached football, soccer, cross country, track and wrestling. He also is a professor in the men's physical education department.

**Freshman:** Vince Gonino is a graduate of Ohio State University where he won two Ohio AAU championships and captured two awards in Big Ten championships. The Watertown native is a former New York State Section III and State YMCA champion. Prior to coming to Cortland, he was head wrestling coach at Whitehall High School and Keystone Junior College.

Vince is beginning his fourth campaign at Cortland with a record of 23-9. He also serves as freshman football coach, assistant professor of physical education and coordinator of the general physical education program for men.

---

## 1968-69 OUTLOOK

On the basis of pre-season workouts it appears that the 1968-69 varsity wrestling team has better overall balance and could improve on the mediocre 4-5-1 record of last year's team.

Coach Miller forecasts a team that will be stronger in the middle and heavier weights. Four lettermen return from last year's team to give the Red Dragons a talented and experienced nucleus at 130, 152, 160 and 167 pounds. Junior Ken Furnkranz, SUNY champion at 130 pounds, will try to fill the shoes of All-American Bill DeSario. Dave Sherman, 160 pound Four-I champion, John Mulada, SUNY 152 pound champion for two years, and Mike Tully, an outstanding performer at 167 pounds, are all seniors with tournament experience and good dual meet records.

A good crop of sophomores along with several transfers with proven records will be the key to another successful season. Sophomores Gary Freeman, John Helion, Ron Miller, place winner in the 1968 Freshman Tournament at West Point, and Ron Behe will be battling for spots in the lighter weights. Don Adams, Doug Hartman and Art Rider should pick up points in the middleweight classes. John Anselmo will be strong at 160 or 167 pounds and George Shuster will provide strength in the heavyweight class.

Two transfers, Phil Grebinar at 191 pounds and Jeff Ward, heavyweight, could be the class of their divisions.

# SWIMMING

## COACH

Jack Boehm is in his third year on the Cortland staff and also is beginning his third season as the Red Dragon swimming coach. He is a graduate of Indiana University where he received both his B.S. and M.S. degrees. Prior to his appointment at Cortland, Jack served as an instructor in physical education at Niagara University. He coached two All-Americans in 1966, Bob McMurray in swimming and Bob Fitts in cross country.

Jack also coaches cross country at Cortland and his 1968 team was the finest on record compiling an 8-1 mark, winning the SUNYAC Championship and the LeMoyne Invitational and placing high in two other invitationals. Jack is an instructor in the physical education department.

## 1968-69 OUTLOOK

Coach Boehm is working with the largest squad he has ever had at Cortland. This year's team has a nucleus of eight returning lettermen, five sophomores and four transfers.

The team has more depth than last year but will miss the strong performances of graduated captain Gary Seaman.

The club won't be distinguished by any superstar as teams in the past have been but each member is a consistent performer and has shown improvement in early season workouts.

Sophomore diver Mitch Mergenthaler is the team's strongest individual prospect. Other good prospects are breaststroker Ed Hines, distance man Rusty Recordon, butterflyer Bruce Weber and sprinter Jay Wendell. Captain Don Heise will add versatility with his ability to swim almost any stroke. Transfers George Youtt, Dave Schotz and Tom Oldfield will help in the butterfly and freestyle events. Jack Leahy and Phil Walker will score in the sprints while Les Oser will help in the breaststroke.

For the season Coach Boehm feels his Red Dragon swimmers could improve on last year's 3-8 record.

# INDOOR TRACK

## COACHES

**Head Coach:** Joe Pierson is starting his third year on the Cortland staff and his third campaign as indoor track coach. He is a 1961 graduate of Southern Illinois University where he also earned his master's degree in 1965. Joe is the outdoor track coach and an assistant professor in the physical education department.

**Assistant Coach:** Ken Smith is a newcomer to the coaching staff at Cortland. He received his bachelor and master degrees from Ohio University in 1963 and 1964 respectively. Ken returned to his hometown, Cleveland, for two years where he was an assistant football coach at Mentor and Schanel High Schools. Prior to coming to Cortland, Ken spent two years as assistant football coach at Defiance (Ohio) College. He also is the line coach on the football team here at Cortland.

## 1968-69 OUTLOOK

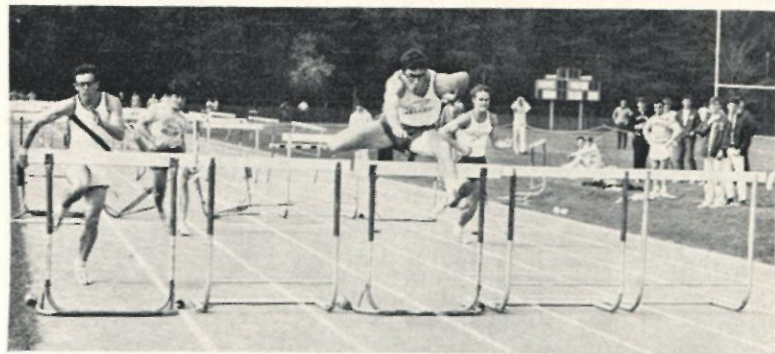

Cortland's indoor track team is anticipating an outstanding season in 1968-69. With eight lettermen returning, Coach Pierson feels that this year's team has an excellent chance to defend its championship title in the New York State Collegiate Track and Field Association.

This year, Cortland's varsity and freshman tracksters will host the first Cortland Invitational involving at least 20 outstanding eastern teams. Lusk Field House also will be the site for the NYSC-TFA championship meet on March 15.

Senior captain Doug Bayly is the top individual performer on the squad. He is the defending champion in the 55 yard high hurdles and the pole vault in the State championship competition.

The Red Dragons will be strong in the distance events with three cross country runners, Murray Banks, Ed Faulkner and Ron Fleury, leading the way.

Several sophomore prospects are counted on for added depth. Geoffrey Scarth is expected to top 14-6 in the pole vault. Bob Devins should beat his Lusk Field House high jump record of 6-4½ in addition to his efforts in the sprints and the long jump. Roy Champagne and Pete DeFina will complement juniors Terry Horton and Roy Pfiel in the middle distance events and should score consistently for the Red Dragon tracksters.

## GYMNASTICS

### COACH

Bill Tomik begins his tenth year as the Cortland gymnastics coach. He graduated from Cortland in 1951, received his master's degree from Syracuse in 1956 and his doctorate from Maryland in 1968. Before coming back to Cortland, Bill coached and taught at Vestal Central High, Hamilton College and Hamburg High. In addition to his coaching duties, Bill also is an associate professor of men's physical education.

### 1968-69 OUTLOOK

Coach Tomik feels that this will be another long season for the Red Dragon gymnastics team. Last year's team didn't win a meet so this must be considered a rebuilding year. The major problems to overcome are the lack of experience and depth that plagued last year's squad.

Coach Tomik has put the team through a rigorous conditioning program and the squad looks further ahead than a year ago. The boys have shown good progress and their attitude is very good.

The Red Dragons will have to rely heavily on the performances of the sophomores as there are only two returning lettermen. The team has more manpower this year provided there are no injuries.

Senior captain Mike Robilotto is expected to lead the team in the all-round events. Junior Ray Berman and sophomore Jeff McGrath are battling for the other all-round slot. Evan Summer, is a seasoned competitor in the vault, rings and parallel bars. Sophomores will have to provide the added punch in the other events. Mike Martin, Roy Coulson, Mike Lalichi and John Busch are among the sophs who should provide some of the much needed depth.

# SKI TEAM

## COACH

John Jackson begins his first year as a member of the Cortland coaching staff and his first assignment as a coach. John is a 1968 Cortland graduate and is currently teaching at Cortland High School while working on his master's degree at the College. In addition to his coaching duties at the College, he will coach the varsity tennis team at the High School.

## 1968-69 OUTLOOK

The 1968-69 season will be a rebuilding year for the ski team. Coach Jackson will have to replace several key skiers lost via graduation.

Senior Gary Burghdurf, the alpine captain, is back to lead this year's team. He was out all last season with a broken leg and his return to form will mean a big plus. He will receive help in the alpine events from junior Don Cook plus two sophomore candidates, Sam Carpenter and John Kowal.

Other hopeful prospects are veterans Marc Shale, Doug Trieste and Rick Monheim and newcomers Jeff Mols, Sid Germain, Dave Tyminski and Karl Kleim.

The cross country team should be the strong point of this year's ski team. Nordic co-captains George Brechbiel and Mike May will lead the contingent with help from Burghdurf.

The weak spot on the team will be in the jumping events because of the lack of experience. The hopeful contenders in this area are Carpenter, Mols and Burghdurf.
