Second Annual David G. Miller '36 Awards To be Presented This Evening

The David G. Miller '36 Athlete Academic Awards will be presented for this evening for the second straight year. The awards, which include a \$250 check to each winner, go to one male and female senior athlete who no longer have athletic eligibility remaining.

The award was made possible through the generosity of Cortland Distinguished Alumnus Matthew Asen '73. The award is named for Miller, a member of Cortland's physical education staff for 29 years. He passed away in 1998. During his teaching and service, Miller guided wrestling to four SUNYAC titles, coached track and field, football and soccer and served on numerous academic committees at the undergraduate and graduate level.

The award winners must complete an application form, letter in a varsity sport and carry a minimum cumulative GPA of 3.0. They must also submit two letters of recommendation — one from a coach and one from a faculty member — and a 1-2 page typed statement that summarizes how well he or she addresses the attributes which were indicative of David G. Miller:

- * Preparation for assignment
- * Commitment to fairness
- * Involvement in activities other than athletics

A faculty committee has chosen this year's winners.
