## Robert J. Weber and M. Louise Moseley Awards To be Presented for First Time This Evening

Two new awards -- the Robert J. Weber Award and the M. Louise Moseley Award -- have been added to this year's banquet program.

The Weber award is the male counterpart to the Whitney T. Corey Award and will be presented to the senior male student-athlete with the highest overall grade point average.

Robert "Doc" Weber served as a teacher, coach and administrator at Cortland from 1952-85. He was the school's director of athletics for 12 years and the Chairman of the Men's Physical Education department for 15 years. He was inducted as an honorary member into the C-Club Hall of Fame in 1986. Weber passed away in October 2000.

The Moseley Award is the female counterpart to the Carl "Chugger" Davis Award and will be presented to a senior female athlete who has demonstrated both strong leadership skills and athletic achievement.

Moseley was Cortland's Director of Women's Athletics from 1966-78. A pioneer for women's athletics, Moseley played an integral role in the start of women's intercollegiate athletics at Cortland in the late 1960's. Moseley was inducted as an honorary member into the C-Club Hall of Fame in 1985.
