Arctusa, My Sorority
(Tune: "The Muffin Man")

I Oh Arctusa is the name, is the name,
is the name;
Oh Arctusa is the name of our sorority.

II It is the finest in the land, in the land,
in the land;
It is the finest in the land, I think
you'll all agree.

III The girls, they come from near and far, near
and far, near and far;
The girls, they come from near and far
to join our sisterhood.

IV We're all so happy in our house, in our
house, in our house;
We're all so happy in our house
at 45 Church Street.

V We'll work real hard to bring thee fame,
bring thee fame, bring thee fame;
We'll work real hard to bring thee fame,
thy rules we will obey.

VI We'll evermore sing praise to thee, praise
to thee, praise to thee;
We'll evermore sing praise to thee,
our dear sorority.
