MARCH

1933

TRI-KAPPA HONORS FOUNDERS  
by Ep Baldwin

Alpha Chapter of Kappa Kappa Kappa Fraternity had its Founders Day Banquet in honor of the men who were the first to plant the seed of the present wide-spread Tri-Kappa Fraternity on November 19 at the Avenue Chateau. Men representing each year of the fraternity's existence were present to celebrate the birthday and honor the founders.

Mr. Fredrick Schultz, Principal of School #24 was guest speaker. His address on "The Fraternity, Its Value to Prospective Teachers" was composed of material representing his experiences in dealing with teachers new in the field. He spoke of the founders in reference to the situations which with they must have come in contact in forming the fraternity. He outlined what the fraternity would be expected to do for the teacher in the future, providing the member contributed his share to the fraternity today.

Founders Day Banquet would never be a success if the founders did not relate their part in the history of the fraternity. It must give them a thrill to recollect their part in forming the nucleus for our wide-spredding organization. There is a favorite story which circulates at every Founders Day banquet to the effect that Tri-Kappa was born in a dilapidated Ford but to get the real facts, you'll have to ask Jim Finley.

At the Banquet Alpha Chapter had the pleasure of receiving its Charter form the Gradn Chapter. Fred Finsterbach, after his little joke about "if ya gotta go, ya gotta go", presented th charter to the President of Alpha.

The "Summary of the Years" and News from Alpha followed the presentation of the charter, after which a good old friendly get to-gether took place which lasted will into the night.

## MERGER

In a report from Fred Finsterbach, Grand Librarian, we learn that the proposed merger is at a standstill at the present time, due to financial and other reasons beyond our control. The date for the special Convocation with representatives of the other fraternity, Pi Alpha Zeta, to finally consider the merger has not been definitely set.

## EDITORIAL

### THE NEED OF A CONSTRUCTIVE PROGRAM

Our fraternity has been in existence for about twelve years. It perhaps is well to reflect somewhat upon the accomplishment of the organization in that period. From a mature point of view it would perhaps be difficult to write anything encouraging in answer to a number of questions which might be stated as follows:

What outstanding contribution has the organization made towards the general improvement of the college?

What is the record of scholarship standing of the various members of the fraternity?

What constructive program has been followed during twelve years of existence?

How interested has the organization been in the welfare and improvement of its members?

What is the program for the next four years?

These and many other questions are naturally in the mind of one who is for the moment looking at the fraternity in a historical way. Unfortunately the answer to these questions is not a pleasing one.

A fraternity, to exist and to grow, must apply itself rather diligently to a constructive program. Unless it does so, eventually it will go into decadence and cease to exist as a fraternity.

For many years, as faculty advisor, the writer of this article has presented at various times the need for a reorganization of the fraternity both in its local aspects and in its relationships with its associate chapters. Frankly, most of the suggestions have made little impression and as a last appeal through this article, the suggestion is made that at the next annual convocation some definite steps be taken to build up an organization which will make a very definite impression upon the lives of the young men associated with it.

It is particularly disappointing to one who has for many years held the interest of the organization at heart, to see a relatively new and undeveloped fraternity suddenly spring into existence and from the very outset accomplish things which are specially noteworthy. Such an instance has just come to mind and since organizations are more or less in competition with each other, it will be necessary for the TRI-KAPPA fraternity to become concerned with its own policies and future outlook.

As a final word I ask this question. What can you offer prospective members as a return for their pledge of loyalty and acceptance to your forthcoming bid? Unless you can point to a record of achievement and to a future program which inspires their respect you can expect no response from the student who is serious in regard to his educational program and personal growth.

I. C. PERKINS

## BETA PLEDGES 23 MEN

The annual Freshman Dinner was well attended and resulted in Tri-Kappa getting 23 men. This is the best showing Tri-Kappa has made in some time. The following men were initiated:

Edwin Sayer-----Endicott	Leo Donovan-----Illion
William Drake----Groton	Robert Ward-----Marcellus
Lynn Brown Jr.---Cortland	Douglas Morey-----Groton
Donald Perrin----Cortland	Frederick Brown-----Chawicks

Clarence Felton--Watertown	Kendall Harris-----Fort Edward
Harry Miller-----Chaffee	James Leary-----Jamesville
Carlton Taylor---Albany	Stanley Babcock-----Cortland
Gordon Sanford---Cortland	

## ATHLETICS

Tri-Kappa has played an active part in athletic on the "HILL" the past semester. In Soccer, Brothers Smith, Riley, Saunders, Leary, Hogan, and Mattison were active. Although all these men did not earn the coveted "C", those two flashy blonds, Smith and Riley brought credit to the school, fraternity and themselves.

The Tri-Kappa Pledges were most active in football, with Plumb, Sayer, Ward, Drake, Miller, Donovan, Henderson, Leary, and Harris in the line-up. Plumb and Donovan were regular varsity tackles and will no doubt hold their positions for the next two years.

### Tri-Kappa Popularity at Cortland Increases:

Warren Smith '33 is Treasurer of the Student Council and a member of the Men's Athletic Council.

Edson Riley '33 is a member of the Recreation Committee.

William Nolan '33 is Advertising Manager of the "Co-No" Press", Bussiness Manager of the 1933 yearbook "The Didascaleion", and Treasurer of the Interfraternity Council.

Robert Hogan '34, and Franklin Ogden '34 are Assistant Advertising Mangers of the "Co-No Press".

## APPHA ACTIVITIES

Did you know that Tri-Kaps at Buffalo are showing their leadership and versatility in the following ways:

Six men made the honor roll

President of the Athletic Association and three members on the Athletic Council

Vice-president of the Junior Graduating class and the Treasurer of the Junior Degree class

Four of the Varsity Basketball team and three of the Reserve Basketball team are Kappa men

Five "Personality" columns in the "Record" have been devoted to men who are members

Ralph Thomas is Editor of "The Elms" and there are five other Tri-Kaps on the staff

"The Record" claims five on its staff, including the Business Manager

Three men who played on the Varsity Baseball team and both managers of Baseball

John Evans acted as Student Coach and manager of Tennis, besides playing a keen game himself

The Orchestra, Men's Club, Men's Glee Club, and Dramatic Club each claim members of Tri-Kappa

Art Eaton and Les Benton were initiated into Sigma Upsilon, honorary Literary Fraternity

Each standing committee of the Student's Association has the help of at least one Tri-Kappa man

The last three men students sent to represent State Teachers College at the annual convention of the National Students Federation of America have been members of Tri-Kappa.

## SPORTILY SPEAKING

Basketball, the only major sport at State, attracts the interest and support of many Tri-Kappa men.

"The Varsity team is composed of the following men, all of whom have been playing a fine consistent game all season: Schill and Ketcham at forwards; Griswold and Wilker at center; Captain Sanford, Cerato, Flood, and Peoples at guards. Bill Schill has been high scorer in almost every game, with Wes Ketcham running him a close second. The clever floorwork and passing of Griswold, Wilker and Flood has put the ball in scoring position time after time throughout the season.

"Through graduation State will lose many veterans of the court. Bill Schill, Jerry Wilker, Wes Ketcham, Capt. Dave Sanford, Moose Peoples, and Frank Cerato all saw action for the last time in State uniform on Saturday. Only Hickey, Flood, Griswold, and Davies remain to form the nucleus of next season's team. The Reserves who will probably fill up the gaps left on the Varsity are Hubbard, Buckton, and Schernau, since Hupp, Smith, and Baldwin will also graduate in June. Coach Coyer will also have members of the Freshman team to pick from." STATE TEACHERS COLLEGE RECORD

Schill, Griswold, Ketcham, Wilker and Sanford are Kappa men. Members of Tri-Kappa on the reserve team are Gleeson Hupp, Captain; Ep Baldwin guard; and Leonard Buckton, guard. Dick Stottler is varsity manager.

Although faced with a stiff schedule, and the loss of Bill Schill in two games with Mechanics Institute and Dave Sanford in one game, the team made a very creditable showing, winning seven of the thirteen games played. Among the six games lost, two, the Geneseo game at State and the Cortland game, required overtime periods to decide.

The schedule follows:

Geneseo	25	State	21	Geneseo	30	State	31
Alumni	29	State	40	Brockport	37	State	39
Cortland	35	State	32	Oswego	40	State	33

## ALPHA ORGANIZES EMPLOYMENT BUREAU

by Frank Brewster

As a fraternity project, Alpha chapter is endeavoring to inaugurate a Student Employment bureau for both members of Tri-Kappa and other members of the College.

Two surveys are being made; one to determine the jobs faculty members, organizations, and students have to be done and one to secure the best prepared student for the desired work. Of course, there is no charge for this service, so it is felt that both employer and employee will be better satisfied as to wages and working conditions by hiring through this central agency where certain standards are set. Some of the jobs that have come to our attention are; typing, cutting stencils, printing and developing films, building scenery for stage productions, acting as doorman for College dances and lectures, selling towels in the locker room, assembling and disassembling bleachers for basketball games, mowing and general handiman work about the college and individual homes. Wages are intended to be slightly lower than those of people in the particular line of work, and at the same time be sufficient to satisfy the students taking the jobs.

## GAMMA CHAPTER

Entertains  
Publishes  
Pledges  
Repairs

On the night of October third, Gamma Chapter of Tri-Dappa entertained the Freshmen at the annual smoker held in the Chapter house. Talks were given by Mr. Rockoff and Mr. Moor of the faculty. Other entertainment included a piano solo by Brother Allen and a violin duet by Brothers Turnbull and Goetz.

The annual Student Directory was placed on sale October sixth and increased the treasury by over one hundred dollars. The success of the venture was due mainly to Jack Rose, who sold the advertising, and Dennis Rosetti, Editor.

Gamma Chapter pledged three upperclassmen in the fall:

Michael Jurkovics '34  
Ross Tracy '34  
Harry Lyeth '34

The repairs done on the Oswego Chapter house have transformed it from a mere house into a home. In addition to the new hardwood floors put in last year, the bed rooms have been painted in some rather nice (?) color schemes by the fellows occupying them. By everyone working together and pushing the project and by the proceeds from a card party and tag sale, the kitchen and adjoining rooms have been fixed up so that meals may now be taken at the house.

The house is open at all times to members of Tri Kappa.

Following are the officers of Gamma Chapter, Oswego Normal School:-

President--Charles Baker.  
Vice President--George Allen.  
Secretary--Allen Hull.  
Corresponding Secretary--Robert Freeston.  
Treasurer--George Schmitt.  
Chaplain--Dennis Rosetti.  
Sgt.-at-Arms--Kent Northrup.

## ACCEPTS POSITION

Eugene Frank--Alpha '32, who is now teaching Industrial Arts classes in Jamestown, N.Y., has spent several of the past week-ends in Buffalo. While there "Gene" has shown a fine spirit of loyalty by attending all the College Basketball games and dances. Brother Frank was President of Alpha '30-'31, was prominent in student affairs and extra-curricular activities. He is famous for his peculiar brand of "horse laugh" and for his ability to pinch hit for Dr. Rockwell, President of State Teachers College at Buffalo.

## STATE TEACHERS COLLEGIATE SPELLING CHAMPS

In an old-fashioned spelling bee sponsored by the Buffalo Evening News and broadcast over radio station WBTN, the team representing State Teachers College defeated the University of Buffalo's team by 126 to 84. The Teachers easily defeated the University team, having had three girls standing at the microphone when the University's last survivor was downed by the word "doily". Miss Freda Lovonson was the winner and will represent State in the final contest.

Accepting the challenge of Canisius College to engage in a similar match, State Teachers College team again displayed its superior ability at alphabet juggling and defeated the Canisius spellers by the close score of 104 to 106, thereby gaining the Collegiate Spelling Championship of Buffalo.

## FORMER GRAND PRESIDENT TEACHING

Arthur Eaton, Alpha '33, has recently accepted a position to teach in the Industrial Arts Department of the Hornell school system.

Brother Eaton has been working towards his B.S. degree during the past semester, but will complete the school year in active teaching. He was President of Alpha Chapter '31-'32, and Grand President. While at State Brother Eaton was actively engaged in Fraternity and extra-curricular activities at the same time maintaining excellent scholarship. He was a member of Sigma Upsilon, Honory Literary Fraternity and President of the Interfraternity Council. While his help and fine spirit of active co-operation will be missed, we feel sure he will be equally successful in his teaching work.

--- k ---

## ALPHA TO HOLD RUSH PARTIES

At a recent meeting of Interfraternity Council, it was agreed that each fraternity would hold two rush parties. Dates for parties were drawn by lot. As there was no fall rushing, both Freshmen and upperclassmen will be rushed. The dates for Tri-Kappa's parties are February 21 and March 2. Bids for membership will go out on March 8.
