As Seen From The Press Box

By Lou Kahn, Sports Publicity Director

Today's game with Hofstra is the last home football game of the 1957 season. Cortland now sports a record of two wins, no losses and two ties. Cortland has won one and tied one on the College Field this year.

This may very well be the last varsity football game to be played on the College Field. It is hoped that in the Fall of '58, all home football games will be played on the new football field which is located in back of Pearl Street (near the Overhead Door Co.).

This afternoon you will see one of the finest small college teams in the East in action. Up from Hempstead, L.I., is Coach Howdy Meyers' Hofstra College football team. The Flying Dutchmen have compiled a perfect record, five wins and no losses.

Since many of the Cortland State students are from the Long Island area, the Hofstra-Cortland games always are hard fought contests. In the five times they have met on the gridiron, Hofstra has won four with Cortland winning the 1955 contest. Last year's game proved very exciting. With Cortland leading 7-6 far into the fourth quarter, Hofstra's George Wiemer took a pitch-out and outmaneuvered the Red Dragon defense for 60 yards and the game winning touchdown with only 1 minute remaining to give Hofstra a 13 to 7 victory. By the way, that same Mr. Wiemer is on the squad again and the Chuggermen will keep a close watch on him this year.

The Flying Dutchmen are paced by the excellent passing quarterback, Larry Magilligan. He has lead the East's small colleges in total offense with nearly all his yardage coming through the air in four games. He has thrown 6 touchdown passes and completed 36 of 83 attempts. His favorite target has been end, Don Baldwin. Don has lead the East in pass receiving and has caught four touchdown passes. This fine offense has been coupled with an exceptionally fine defense. Hofstra's defense has allowed only two touchdowns to be scored against them all season. Hofstra has been the small college leader in total defense allowing only 126.8 yards per game.

For the Red Dragons, the most outstanding feature will be that this is their last home game. Seeing action on the College Field for the last time will be 11 seniors including backs, Joe Koesterer, Dick Dier, George Schumacher and Joe Gasquez and linemen, Hal Morpurgo, Jack Polo, Dick Conti, Andy Havens, Bob Deger, Wayne Wiess and Charlie Bocklet.

The Red Dragons opened their season this year at Alfred University on Saturday night, September 28. The air was cold and the ground was damp but the Red Dragons were ready for a tough ball game. The game came to a very exciting close as Cortland scored in the last minute of play to gain a 12-12 tie against a tough Saxon eleven. Early in

the first quarter Cortland drew first blood as Art Smith scored on a five yard sweep of right end. Alfred bounced right back on the ensuing kickoff marching all the way on option plays to tie the score. Later, in the third period, Alfred surged ahead as they passed for 41 yards and a few plays later threw a 15 yard touchdown pass. It seemed that they would prove to be the winning margin, until the Davismen rallied and put on a 61 yard march that ended in the tying touchdown with little time remaining. Jimmy Hartnett, of Alfred played an outstanding game at quarterback as did Art Smith at halfback for the Red Dragons.

The first home game for Cortland enabled them to roll over a tough Bloomsburg team, 42-12. Freshman Tom Decker scored two touchdowns on breakaway runs of 53 and 20 yards. Halfback, Art Smith had a field day, scoring three touchdowns. The Huskies could not stop the Dragons inside tackle power plays and shiftiness of their backs. End, Wayne Weiss set a new school record by making six out of six extra points. The average scoring play in this game was 24 yards.

Traveling to near-by Ithaca for another Saturday night encounter, the Red Dragons crushed Ithaca College in their Homecoming game, 32-13. Cortland's Tom Decker scored on runs of 58 and 14 yards. Again Art Smith scored two TD's to bring his total to seven so far in the season. The game was really much closer than the score indicates but Cortland made many of the breaks they got. Smith intercepted a Noun pass and toted the leather 30 yards all the way to the Ithaca 15. Later, in that same second period, a Koesterer to Smith pass that covered 51 yards for the final score of the game.

Rain and cold greeted the alumni back for the Homecoming game, October 19th as Cortland played host to a strong Brockport team. When the smoke had cleared from the field, neither team had crossed the goal line and the scoreboard showed a 0-0 tie. The outstanding play came late in the 4th quarter as the Golden Eagles put on a last ditch drive. Walt Brem elected to try a pass into the end zone from Cortland's 5. Safety Dick Beams intercepted it and ran it out of danger to the Dragon 20 yard line. That was as close as either team came to scoring except for an attempted field goal by Brockport's Dave Kelly which was wide. Only once did Cortland threaten. That was in the third period when Cortland drove to the Brockport 5 but was stopped short of the necessary first down. Jim Sellars was an outstanding defensive player and averaged 37 yards on his punts.

The Men's Athletic Association would like to thank Program Manager Ed Leahy and Ticket Manager, Dick Foster, for their fine work. Also they would like to thank the student body for showing the fine support they have this year. Finally, we want to wish "Chugger" Davis continued success in the remaining games this season.

The Coaching Staff

Davis Tesori Weber Woods Wallace

Coach Carl "Chugger" Davis commences his 23rd year as head football coach at Cortland State. Over the years, "Chugger" has made close to a .600 percentage in the win column. He compiled one of the most outstanding records in college football here in the years 1932 to 1935 when his teams tasted defeat only once. In 1948 and in 1955 his teams lost only one game.

What ever season it is, "Chugger" loves the sport. For many years he coached all three major sports but now coaches only football and baseball. His teams have always been among the leaders in small college athletics. Coach Davis graduated from Springfield (Mo.) College in 1926 and did graduate work at Springfield (Mass.) College. In both high school and college, he was an outstanding athlete and today is still in near-perfect physical condition. Our hats are off to Coach "Chugger" Davis and we wish him another successful season.

Doctor Robert Weber has worked in the line for his sixth year. He played center for the University of Iowa, graduating in 1947, and played football on service teams. He coached and taught in the public High Schools of Iowa and at the University of Iowa. During his last two years of Public School coaching, his teams lost but one game and won their Conference Championship. He is now Director of Athletics.

The end coach is Mr. Anthony Tesori, who graduated from Cortland State in 1939. He played end for Coach Davis in his undergraduate days and was one of the better Basketball players to graduate from CSTC. He taught at Tully Central High School for three years and was in the Navy four years. He joined the coaching staff here in 1946 and also coached Basketball and Golf as well as Football.

The youngest member of the Varsity Coaching staff is backfield coach, Robert Wallace. Mr. Wallace graduated from Cortland in 1953 and went to Painted Post High School, there to coach his teams to two successive championships. While an undergraduate, Mr. Wallace was one of Cortland's outstanding quarterbacks. Mr. Wallace joined Cortland's Physical Education Staff in 1956.

Absent from the picture, is Junior Varsity head coach, Albert Watrell. A graduate of Syracuse University, he is starting his fourth season as Junior Varsity coach. He has played under such men as Biggie Munn, Forest Evasesheski, Floyd Schwartzwalder, and he has coached at Syracuse, Eastwood High School and Bolles Military school.

Fran Woods, the Assistant J. V. coach is a 1956 Cortland graduate. This past year he taught at Utica Free Academy and coached Freshman Football and assisted with Basketball. We would like to welcome Fran to our school again.

The motto of the State University of New York is "Let Each Become All He is Capable of Being." Here at Cortland, the broad and well-rounded program of intercollegiate activities supplements the curriculum in general education in the development of thinking and of habits of action both moral and physical. On the sports field, in work in dramatics and fine arts, in various activities, in fact, anywhere that men and women work together with intelligence and understanding, one finds opportunity to develop one's capacities. The Cortland program of study and that of wide participation in student activities are designed to achieve the goal expressed in the motto of the University.

Review of 1957 Intercollegiate Football Rules Changes

Here are the more important changes that should interest intercollegiate football fans:

1. Last season permission to use a rubber covered ball was given the team when it was on offense if it so desired. For 1957 this permission has been deleted and the home team shall furnish a leather covered ball unless it is mutually agreed, in advance, to use a rubber covered ball.

2. There are additional markings on the field for 1957. One-yard "hash marks" are optional and may be seen at the inbounds line and outside the side line. This was done for the particular convenience of the officials, news, TV and radio commentators. Any decorative markings in the end zone shall be at least two feet from the goal, end and side lines. This new restriction will help in more accurately determining when the ball and players are out of bounds. It will also be noted that a "team area" has now been established on each side line from the 35-yard lines to the end of the players bench. Players, coaches and attendants must re-

main in this area during the entire game unless they are entering or leaving the field.

3. One of the most interesting changes for this season is the checking of substitutes by the officials. The players will report to the umpire or field judge. These officials will wear colored arm bands in order that players identify and report to the proper official throughout the game. This will also cause the head linesman to be stationed on one side of the field for the whole game instead of changing sides at the end of the first half.

4. As a safety measure players are prohibited from grasping the face mask of an opponent which includes the player carrying the ball.

5. The rule prohibiting offensive linemen from going beyond the scrimmage line on forward pass plays unless they made and kept contact with opponents has been liberalized and now extends the area which such contact may be made to a point not exceeding 1 yard beyond the scrimmage line.
