*It's what's up front
that counts!*

Only Winston has
FILTER-BLEND up front!

If you're a Winston smoker, you *know* that the big difference in filter smoking is *ahead* of the filter. It's **FILTER-BLEND**, the Winston secret of tobaccos specially selected and specially processed *for filter smoking*. **FILTER-BLEND** up front is a mighty good reason for *anybody* to smoke Winston. So, next time you buy cigarettes, enjoy America's best-selling filter cigarette!
